In the matter of Complaints under Sec. 33A of the I.D. Act, Preferred by:—

3. Srimati Sombari,
4. Srimati Gurubari,
5. Srimati Dutl,
6. Srimati Lakshmi,
7. Sri Ratha.

AWARD

1. These seven complaint petitions are taken up together as they are to be disposed of on the same common ground. Each of the petitioners had alleged that his or her service was terminated by the Company without assigning any reason and also without permission of this Tribunal during the pendency of the above reference. The Management in each case have contended that it was only the workmen concerned who had either absented without leave or over-stayed-leave and did not turn up to work and, therefore, they had to terminate their services.

2. It is admitted that even after terminating the services of these workmen, the Management have not applied for approval of their action by the Tribunal as required by the amended Section. 33 of the I.D. Act which came into force from March last and these acts of the Management of terminating the services of the petitioners were subsequent to that. As the law stood prior to the amendment of Section. 33, it was obligatory on the Management to take prior permission of the Tribunal to discharge workmen connected in a dispute but after amendment, no such prior permission is necessary except in certain cases but the Management were bound to have applied for approval of their action and then only their action cannot be questioned. In this case, admittedly no such approval was obtained and, therefore, the action of the Company in each of these cases violated the provisions of Sec. 33 and as such, the workmen concerned have good grounds to complain. On this ground alone, the action of the Management can be held to be a violation of Sec. 33 of the I.D. Act but in this case without entering into the merits of the allegations of either party, the representatives appearing on either side agreed that these cases should be amicably settled and the Management would take back the workmen on the following terms:—

1. Workmen in each of these cases shall be reinstated to his or her post by the Management; and
2. His or her absence up-to-date of reinstatement shall be treated as leave on loss of pay but continuity of their service shall not be broken.
3. These terms are very reasonable for the other workmen who are not represented by Shri S. Mukherjee as well, and in the interests of industrial harmony, I accept the above suggestion of the parties and pass an award accordingly ordering that in each of these seven cases the workmen concerned shall be re-instated in duty immediately and their absence up-to-date of reinstatement shall be treated as on loss of pay.
4. An Award is passed accordingly and be submitted to the Central Government for further necessary action.

INDUSTRIAL DISPUTE CASE No. (CENTRAL GOVERNMENT)

BETWEEN

Employers of O.M.D.Co., Ltd., Barbil.

AND

Workmen of O.M.D. Co., Ltd., Barbil.

In the matter of complaints under Sec. 33A by:—

1. Srimati Mukha, and
2. Shri Kandarba.

AWARD

1. These two applications under Sec. 33A are taken up together as they raise the same question of law and fact. The applicants are husband and wife and on the ground that they have forcibly occupied a quarters of the Management and not vacated it inspite of demand, they have been placed under suspension and, therefore, they have filed these complaints. The allegation of the complainants is that they occupied the quarters with the permission of the Branch Manager of the Company which fact is stoutly denied by the Company.

2. The applicants are admittedly miners and are said to be occupying the quarters intended to miners though the Company's representative states that this particular quarter was allotted for somebody else but forcibly occupied by the petitioners. The Co.'s representatives agree to drop the proceedings against the complainants and to reinstate them in their work provided they vacate the quarters occupied by them and further promises to allot some other quarters to them. This is a very reasonable attitude and Shri Mukherjee for the Workmen also agrees for an Award in these terms.

3. Therefore, upon an amicable settlement between the parties, I pass the following award in these two cases.

The workmen (two petitioners) shall vacate the quarters now occupied by them and shift to some other quarters to be provided by the Company for them within a month from the date of publication of this Award and soon after they vacate the quarters the Co., shall reinstate the workmen in their posts as miners. There shall be no break in the continuity of their service and the wages for the period of suspension shall be according to rules and standing orders of the Co. If the Company fails to provide alternative accommodation for these workmen within a month from the above date, they shall be bound to take back the workmen to duty even though they shall be occupying the present quarters but the workmen shall be bound to shift to the new quarters as soon as the company provides it for them.

4. The Award be submmitted to the Central Government for further action.

BEFORE

Shri A. N. Kaul.

CASE No. 3 of 1956.

In the matter of an industrial dispute

BETWEEN

M/s. Duduwala & Co., Bhilwara

AND

Their workmen.

AWARD

This is a reference by the Central Government in the Ministry of Labour made to this Tribunal through its order No. LR.II/56-1(2)/56, dated the 25th August, 1956 for adjudication of an industrial dispute between the management of Messrs. Duduwala & Co., Bhilwara and its workmen in respect of the matters specified in the schedule annexed to the order. The matters so specified are as follows:—

“Bonus at the rate of four months’ wages for the years 1953-54 and 1954-55.”

On receipt of the order the usual notices were issued to the parties directing them to file their respective statements. A statement of claims was filed on behalf of the workmen by Shri Gokul Prasad Sharma, Secretary, Khan Mazdoor Congress, Bhilwara on the 26th September, 1956. Before, however, the written statement on behalf of the company could be filed a rule directing the stay of proceedings pending the decision of a writ petition filed by the company was received from the High Court Bench at Jodhpur. On receipt, however, of a subsequent order of the Hon’ble High Court vacating the rule the case was fixed for further proceedings at Bhilwara on the 9th, 10th and 11th October, 1957 but an adjournment was jointly sought on the 10th October by the parties while on the 11th October no one appeared on behalf of the workmen. The case was then fixed for further proceedings at Jaipur on the 31st October, 1957 on which date also no one appeared on behalf of either party. On the 30th November, 1957, which was the next date fixed, certain preliminary objections as to the constitution of the Tribunal and as to the validity of the reference were, however, raised on behalf of the company. The following preliminary issues were accordingly framed:—

1. Whether the constitution of this Tribunal and consequently the reference to it is invalid?
2. Whether the continuance of the proceedings of this Tribunal under the reference is in any case against the law?
3. Whether the preliminary objection in regard to the constitution of this Tribunal is tenable in view of the provisions of Section 9 of the Industrial Disputes Act?
4. Whether the registration of the Khan Mazdoor Congress, Bhilwara representing the workmen has been cancelled and if so an officer of the Congress is no longer entitled to represent the workmen?

The case was then fixed for hearing of arguments on preliminary issues at Jaipur on the 17th December, 1957 and also for filing of the written statement of the company, but on that date also a joint telegram from the representatives of both the parties was received seeking adjournment which was allowed but it was made clear, in that order, that no further adjournment will be allowed. The written statement on behalf of the company was filed on the 7th January, 1958 but an adjournment was again sought by Shri Gokul Prasad on behalf of the workmen on the alleged ground that notice of the adjourned date had not been received by him before he left Bhilwara. The case was then fixed at Jaipur on the 3rd February, 1958 for hearing of arguments on preliminary issues and the parties were once again warned that no further adjournment would be allowed. When the case was taken up for hearing on the 3rd February no one was present on behalf of the workmen once again. A telegram was, however, received from Shri Gokul Prasad seeking adjournment on account of his alleged illness and saying that a regular application along with a medical certificate would follow. Shri Nahar, representative of the company thereupon filed an affidavit to the effect that Shri Gokul Prasad was actually present at Jaipur that day and that

he was avoiding appearance before the Tribunal because the certificate of registration of the Khan Mazdoor Congress had been cancelled. In the circumstances I am not convinced that the application for adjournment is *bona fide*.

The above narrative will show that although the company's representative also has not shown active interest in the conduct of the case, the Congress itself instead of pursuing its claim has repeatedly been in default and its representative has been seeking adjournment after adjournment on one ground or another. The only conclusion that can be drawn from this is that the workmen as represented by the Congress are no longer interested in the dispute. I have, therefore, no alternative but to pass a no-dispute award. A no-dispute award is accordingly passed.

5. Grant of one month's privilege leave and 15 days casual leave in a year to the monthly paid staff.

On receipt of the order the usual notices were issued to the parties directing them to file their respective statements. A statement of claims was filed on behalf of the workmen by Shri Gokal Prasad, Secretary, Khan Mazdoor Congress, Bhilwara (hereafter referred to as the Congress) on the 10th July, 1956 while the written-statement on behalf of the company was received by post on the 24th August, 1956. On the pleadings of the parties the following issues were framed on the 26th September, 1956:—

1. Whether the present Khan Mazdoor Congress having been formed in 1952 is not entitled to represent the workmen prior to that date?
2. (a) Whether all the demands which are the subject of the present reference were withdrawn by the Khan Mazdoor Congress on 12th June, 1954, during conciliation proceedings before the Conciliation Officer?

- (b) If the answer to (a) be in the affirmative whether the same demands can now be permitted to be reagitated?
3. (a) Whether the accounts for the period referred to in demand No. 1 have been already closed
- (b) If the answer to (a) be in the affirmative whether the demand in this respect is belated and hence untenable.
4. (a) Whether demand No. 2 being in respect of a period before the Industrial Disputes Act 1947 came into force is not legally entertainable?
- (b) Whether the Accounts in respect of the period referred to in demand No. 2 have been closed and the demand being belated is not entertainable?
- (c) whether most of the workmen employed during the period referred to in demand No. 2 are no longer employed in the company and the present workmen are not entitled to represent them.
5. Whether the Company has no surplus available for distribution of bonus as claimed in Demand No. 1?
6. Whether the Company has no surplus available for distribution of bonus as claimed in Demand No. 2.
7. Whether the alleged agreement embodied in Government Notification No. TP-121 dated the 5th January, 1949 was the result of undue influence and coercion of the Government on the Company and was never legally entered into by the latter and is not binding on it?
8. Whether demand No. 3 for increased wages for Cutters, Underground workers and Surface workers is justified?
9. Whether demand No. 4 regarding grant of annual increments and fixation is justified?
10. Whether demand No. 5 regarding grant of privilege and casual leave is justified?
11. Whether the present reference in-so-far-as it relates to the workmen of Amli and Bhilwara Cutting and Sorting Factory and staff and workman working in Bhilwara office has not been made by the appropriate Government and is therefore incompetent?
12. To what relief, if any, are the workmen entitled?

On the date of framing of issues an application of the company for permission to be represented by Shri Nahar, an Advocate, and by Shri Baldwa on the strength of a power of attorney was rejected by the Tribunal. Before the Tribunal could proceed further, a rule directing the stay of proceedings pending the decision of a writ petition filed by the company before the High Court on the question of representation was, however, received from the High Court Bench at Jodhpur. On receipt of a further order of the Hon'ble High Court vacating the rule, the case was fixed for evidence at Bhilwara on the 9th, 10th and 11th October, 1957 but an adjournment was jointly sought, on the 10th October, by the parties while on the 11th October no one appeared on behalf of the workmen. The case was then fixed for further proceedings at Jaipur on the 31st October, 1957 on which date also no one appeared on behalf of either party. On the 30th November, 1957, which was the next date fixed, certain preliminary objections as to the constitution of the Tribunal and as to the validity of the reference were, however, raised on behalf of the company. The following preliminary issues were accordingly framed:—

1. Whether the constitution of this Tribunal and consequently the reference to it is invalid?
2. Whether the continuance of the proceedings of this Tribunal under the reference is in any case against the law?
3. Whether the preliminary objection in regard to the constitution of this Tribunal is tenable in view of the provisions of Section 9 of the Industrial Disputes Act?
4. Whether the registration of the Khan Mazdoor Congress, Bhilwara representing the workmen has been cancelled and if so an officer of the Congress is no longer entitled to represent the workmen?

The case was then fixed for hearing of arguments on preliminary issues at Jaipur on the 17th December, 1957. On that date also a joint telegram from the representative of both the parties was received seeking adjournment which was allowed, fixing the 7th January, 1958 as the next date, but it was made clear in that order that no further adjournment would be allowed. An adjournment was again sought on the 7th January, 1958 by Shri Gokul Prasad, on behalf of the workmen, on the alleged ground that notice of the adjourned date had not been received by him before he left Bhilwara. The case was then fixed for hearing of arguments on preliminary issues at Jaipur on the 3rd February, 1958 and the parties were once again warned that no further adjournment would be allowed. When the case was taken up for hearing on the 3rd February no one was present on behalf of the workmen. A telegram was, however, received from Shri Gokul Prasad, Secretary of the Congress seeking adjournment on account of his alleged illness and saying that a regular application along with a medical certificate will follow. Shri Nahar, representative of the company thereupon filed an affidavit to the effect that Shri Gokul Prasad was actually present at Jaipur on that day and that he was avoiding appearance before the Tribunal because the certificate of registration of the Khan Mazdoor Congress had been cancelled.

The above narrative will show that although the company's representative also has not shown active interest in the conduct of the case, the Congress itself, instead of pursuing its claim has repeatedly been in default and its representative has been seeking adjournment after adjournment on one ground or another. The only conclusion that can be drawn from this is that the Congress is no longer interested in the dispute. I have, therefore, no alternative but to pass a no-dispute award. A no-dispute award is accordingly passed.
